

ODC AND RHYTHM & MOTION CLASS PRICE ADJUSTMENTS

effective April 1, 2023

WHY AN ODC AND RHYTHM & MOTION CLASS PRICE INCREASE?

- The last time we adjusted our prices was April 15, 2019
- Work toward greater and more equitable pay for our teachers.
- Reflect the value of what we offer.
- Cover the hard costs that have risen significantly over the last few years during the pandemic.

*ARTS ACCESS

The Arts Access Program was established as part of the class price adjustments of 2019. It was ODC and R&M's way of deepening our commitment to class accessibility by reframing who has access to discounts and free classes. The Program provides a deep discount to any student who applies and qualifies. This includes: seniors on a fixed income; full-time students; full-time visual and performing artists who rely on their art for income; those who are unemployed; those who are unhoused/facing eviction; Unified School District teachers in the Bay Area; US Veterans/US Military personnel; etc. **More info at odc.dance/artsaccess**

We will also continue to offer work exchange as an option for those whom even the Arts Access discount is untenable. We want dancers here and want to work with anyone who may have a financial need. **More info: odc.dance/workexchange**
